NON PAYMENT OF RESIDUAL SALARY ARREARS FOR FY 2014/15

Reference is made to the letter dated 30th September 2016, from the Head Teacher Buseta Secondary School requesting for payment of residual arrears for the FY 2014/15 amounting to shs. 10,673,684.

To curtail further accumulation of Salary, Pension and Gratuity arrears, we decentralized management of the payroll to ensure that all staff under your Vote, access the payroll timely and are fully paid within the financial year. We have also in many of our circulars advised Accounting Officers to make accurate projections for funds required to pay staff and pensioners.

The purpose of this letter therefore is to advise you to make necessary arrangements to ensure that all arrears accrued after the decentralisation of payroll management for FY 2014/15 are fully cleared within your current budget provision.
