Vote Challenges for FY 2019/20

(i) The staff structure of the EOC is not yet filled despite the periodic recruitments. The wage bill ceiling has been reached yet recruitment is half way the approved structure.
(ii) Inadequate funding has constrained the operations and key interventions of the Commission especially Tribunal operations.
(iii) Lack of office Space, the Commission is limited by office space, apart from few work stations, there is no Childcare Centre for the Mothers for both staff and clients
