**Efficiency of Vote Budget Allocations**

1. Due to the funding gaps, the Mission is forced to narrow its activities and prioritise considering the large area of accreditation (11 countries and 3 UN agencies)
2. The Embassy faces up to 5 lawsuits in courts in Rome brought by former staff, who were terminated for various reasons. The costs in lawyers’ fees as well as compensation are very substantial and not funded and have severely complicated Mission budgeting and expenditures.
3. The Mission is required to hire a driver for the DHOM but there is no funding for the salary, complicating transportation arrangements.
