V5: VOTE CHALLENGES FOR 2019/20 AND ADDITIONAL FUNDING REQUESTS

Vote Challenges for FY 2019/20

• Khartoum was not considered for commercial diplomacy in 2016/7 budget, yet Sudan is second biggest importer of Ugandan coffee. No funds for promotional activities
• Ugandans have not responded positively to trade Fairs organized in Sudan
• Lack of harmonized trade policy frameworks to guide cross border trade.
• Inadequate funding for most mission activities as approximately 80% of the funds released from the Treasury are spent on fixed costs such as rent and salaries therefore leaving very limited resources to fund planned activities.
• Fixed budget ceilings every year despite the ever increasing dollar rate against the Uganda Shilling eating into the mission budget. The Mission also suffers from high inflation rates in Sudan.
